

Scrapbook Depot Design Team Search

Come join the TEAM! We are looking for the new Scrapbook Depot Design Team to serve as sources of inspiration and share their gifts with our customers. You will **create page and card samples** that are posted throughout the store. The **Design Team will have monthly brainstorming sessions** for a stimulating exchange of ideas, fun and many laughs.

Store management will assign projects to the Design Team as needed by the store throughout their 6 month term. Design Team members are also encouraged to **generate projects that can be offered in classes** to our customers, and may be taught by another teacher if you would prefer.

Benefits include a **20% discount** during a six month term, and the chance to **express your creativity** in a supportive and inspiring atmosphere and free product to do store projects.

No application is necessary. Submissions will consist of a project completed using one sheet of paper, which will be provided by the store. Add other papers and embellishments as you wish. Just include your name and phone number on the back of your submission. Please do not include your original photos.

Deadline for submissions is October 24th.
Design Team members will serve from
November 2007 – April 2008.
